## SECTION B – STATEMENT OF WORK

The following services are required by the United States Government (the “USG”) in relation to its desire to acquire leasehold, and possibly freehold, interests in real property located in Tashkent, Uzbekistan. Bids must account for providing all services, which must be performed at the request of the USG and not necessarily in the order presented below. Not all specified services may be required by the USG.

### **Background**

The USG is pursuing a potential “build-to-lease” or “lease-purchase” housing project involving a number of housing units in Tashkent. In such a transaction, the USG would contract with a party which would finance, design, and build housing to USG criteria, for occupancy by USG diplomatic staff. The USG is contemplating various deal structures including:

- lease of the property for a set term
- lease with options to renew the lease for one or more additional terms
- lease with an option to purchase the property during or at the end of the term
- lease-to-purchase, with ownership transferring at the end of the lease period

The USG intends to select a deal structure based on various factors, including what is legally permissible and advisable. Upon selection of a deal structure, the USG intends to prepare a solicitation for offers. The solicitation would include a draft contract, which would be negotiated and executed with one or more offerors.

When issued the applicable notice to proceed, the selected attorney shall:

1. Prepare a Memorandum on the local real estate practices and laws applicable to leasing and lease-purchasing of housing for diplomatic staff in Tashkent, Uzbekistan by the U. S. Government (USG), including the legal documentation process and how long the process normally takes.

Due date for completion and submission of Memorandum: 10 business days following contract with selected attorney.

2. Summarize the transaction and lease costs customarily paid by each party to a lease and provide details of local currency laws that may affect the transaction.

Due date for completion and submission of report: 10 business days following contract with selected attorney.

3. Review the Office of Overseas Buildings Operations' draft lease or lease-purchase agreement and recommend revisions, if necessary, to conform to local law and protect the USG's interests. Prepare a proposed revised version of the document, together with a written explanation of the reasons for any changes. A copy of the draft will be provided separately.

Due date for completion and submission of revised version and explanations: 10 business days following receipt of the draft lease.

4. Incorporate terms negotiated by Embassy / OBO with a landlord or developer into the draft lease.

Due date for completion and submission of revised version and explanations: 10 business days following receipt from Embassy.

5. Advise and assist Embassy in applying for host country approval, if required, and waivers of stamp duties, registration taxes and other expenses to which the USG is entitled based upon the Vienna Convention on Diplomatic Relations.

6. Perform and submit a pre-lease signing Certification including:

- Confirm that the landlord holds and unencumbered title to the property and is lawfully entitled to lease (and sell) the property to the United States.
- Confirm that the landlord has all necessary governmental approvals to construct and lease (and sell) the property to the United States.
- Determine that none of the lease terms violate any legislation, regulations or rules issued by local or national jurisdictional authorities.
- Review the operations and maintenance agreement associated with the lease and confirm that it is as valid and enforceable as the lease.

Due date for completion and submission of report: 10 business days prior to the expected date of signing the lease.

7. Prepare and register all lease documents required for the formal lease of the subject property to the USG.

Due date for completion: As necessary, but no more than 10 business days after receipt or signature of respective documents.

8. Participate in related meetings and negotiations, as needed.

9. In addition to the completed Pricing Proposal, please submit by the following reports or documents to the Contracting Officer:

- **Brochures of the law firm and its real estate practices.**
- **Resumés of the attorneys that will be assigned to the work**
- **A recent sampling of completed work involving residential real estate transactions and/or construction contracts.**

**10. Submit monthly invoices to the USG.**

K.5 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (APR 2010)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that—

(i) The Offeror and/or any of its Principals—

(A) Are *o* are not *o* presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have *o* have not *o*, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks “have”, the offeror shall also see 52.209-7, if included in this solicitation);

(C) Are *o* are not *o* presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;

(D) Have *o*, have not *o*, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) *Examples.*

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not

a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has *o* has not *o*, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) “Principal,” for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (*e.g.*, general manager; plant manager; head of a division or business segment; and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror’s responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.
