DESCRIPTION:

Please note this solicitation is not ready to be issued as of this date. The Embassy of the United States in Uzbekistan will launch the solicitation on the https://uz.usembassy.gov/embassy/tashkent/procurement-and-contracting/ website when it is available.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation in November 9, 2020.

The Contractor shall perform janitorial work, including furnishing all labor, material, equipment and services, for the U.S. Embassy Tashkent. The price listed below shall include all labor, materials, insurance (see FAR 52.228-4 and 52.228-5), overhead, and profit. The Government will pay the Contractor the fixed price per month for standard services and a fixed rate per square meter for any temporary additional services that have been satisfactorily performed.

DEFINITIONS

CDC. The US Centers for Disease Control.

Cleaning. A process for removing germs, dirt, and impurities from surfaces or objects. Cleaning works by using soap (or detergent) and water to physically remove germs from surfaces. This process does not necessarily kill germs, but by removing them, it lowers their numbers and the risk of spreading infection.

Disinfection. The process of killing germs on surfaces or objects. Disinfecting works by using chemicals to kill germs on surfaces or objects. This process does not necessarily clean dirty surfaces or remove germs, but by killing germs on a surface after cleaning, it can further lower the risk of spreading infection.
Sanitizing. A process that lowers the number of germs on surfaces or objects to a safe level, as judged by public health standards or requirements. This process works by either cleaning or disinfecting surfaces or objects to lower the risk of spreading infection.

SARS-CoV-2. The novel (newly discovered) virus that causes the COVID-19 illness

Again, this solicitation will be issued via this website - no paper copies will be mailed. The Government intends to award a contract resulting from this solicitation to the lowest priced technically acceptable offeror who is a responsible contractor. The Government may award the contract based on the initial offer without discussion. The resultant contract will be a firm fixed price type contract.

Electronic Submission/Responses:

No electronic offers will be accepted. Please mail your offer to the contracting office listed in this notice prior to the response date and time.

All contractors have to be registered in the SAM (System for Award Management) Database [https://www.sam.gov](https://www.sam.gov) prior to contract award pursuant to FAR provision 52.204-7. Therefore, prospective offerors are encouraged to register prior to the submittal of quotations/proposals.
